

# Helping Applicants Access ezhire

Local, State, District and Federal offices throughout the Metropolitan area offer the public access to computers for employment opportunity searches - the public libraries, State and District of Columbia Employment Services offices and Vocational Rehabilitation Services offices, and - at the Federal Government level - the U. S. Office of Personnel Management (OPM), and U. S. Environmental Protection Agency (EPA). This contact phone list will assist in canvassing and selecting the office that's closest to where applicants live.
